## Questions

From T'Noya Thompson:

Oh that is wonderful to hear! Yes, only the seven B-WET regions.

From Douglas Sinclair:

For Foundation, is the expectation to work with one partner or multiple partners

From Bronwen Rice:

Could be either, Douglas

From Wendy Kedzierski:

Which pathway if we worked with a CCLC before but want to work with them again AND add a new site?

From Bronwen Rice:

You just have to justify the budget for the number of sites, but either pathway can be one or multiple.

From Bronwen Rice:

Great question Wendy, let me address that one verbally in Q&A

From Mark Tagal:

Matching funds. Any requirements

From Bronwen Rice:

Hi Mark - no required match

From Mark Tagal:

Can they come from other ee blue programs? Aquaculture literacy specifically

From Bronwen Rice:

Can you clarify Mark?

From Jose Marquez:

Can non-21st CCLC sites participate in programming?

From Jose Marquez:

Thank you.

From Douglas Sinclair:

Will you be sending out this deck?

From Jose Marquez:

For any program-specific questions (i.e., geography), should we follow up in an email?

From Bronwen Rice:

Yes please do Jose!
